RE: Dockets # 20cv03309

2021 US Dist Lexis 167

I AM enquiring as to a single yes or no question whether or not I or others ARE required to file Motion for Contempt regarding MDOC theft of stimulus checks thru bait + switch BAD FAITH semantics in recategorizing Economic Impact Payments as Income Tax Refund checks subject to debts collections, when the 28 USC § 6804, you cited in Wilcox v. Murchio, specifically precluded this abuse of ministerial Duty?

Does the MDOC Stateward CLASS have to file a ~~class action~~ to get what the US Congress provided thru legislation?

I'm not asking for advice. I'm asking the Court Act SUA Sparte to hold Defendants MDOC accountable.

I've notified entire chain of Command including Asst. US Atty Gen for Mich. and US Atty Gen Garland.
